presents **TRANSCRIPTION FORMATS & RATES** by **wordibly**

MOST POPULAR

Professional — **$175/hr**
Our most popular format, transcripts are triple proofed for accuracy and include the moderator bolded for visual distinction. Timestamps and Speaker ID are optional, and the format is also fully customizable.

Edited — **$140/hr**
The moderator speech is summarized, and the respondent speech is captured word for word with optional timestamps and optional speaker identification. This format can be customized as well.

BEST VALUE

Enhanced Interactive — **$195/hr**
Experience keywords through sound, sight and text, while observing repeating themes. Audio or video linked to keywords highlights the relevant concepts that drive visions. Allows you to quickly video or audio clip the research for presentations.

Excel Smart — **STARTING AT $134/hr**
Questions & answers in an easy to read Excel sheet. This format is ideal for multiple IDI's or TDI's. Choose professional, edited or notes.

Notes — **$99/hr**
An overall summary providing the main points of the research.

We operate 7 days every week!
